ANNOUNCEMENTS

7. Pastor Jared is starting a study program for children who know how to read called "My Place with Jesus." The program includes a set of 21 lessons made specifically for kids, and it will be open for anyone who would like to join, including those who have or have not been baptized. May God bless his ministry!
8. You can still join our "Joy Challenge" sponsored by The Health Ministries Department! What makes you happy? Take a picture of what makes you happy every day, and post it on our private Facebook group www.facebook.com/groups/joyjourneyuniversitychurch so that your name will be put in a drawing at the end! The challenge is running from November 16 until December 16. This challenge is open to all University Church Members, MEU students, faculty, and friends.
9. The first weekend of December, our MEU campus will be introduced to what it means to work for God! The weekend "You're Hired for a Higher Purpose," is not only for church employees or theology majors. It is about honoring God in the secular workplace (though everyone will want to listen in). Covid restrictions or lockdowns cannot stop God from calling you to a workplace role that brings God to those who will never meet Him ... unless you live for Him at work and they have the chance to meet Him through you!
10. Do you know about the other current events we have sponsored by the [Health Ministries Department](#)?

Campus-Clean-Up Day - Join us in sprucing up the campus for Christmas! Come ready to do small jobs around the campus, like picking up trash around the MEU billboard or clearing brush. A light breakfast and supplies will be provided. Bring your own garden gloves and trash grabbers/pickers if you have them. Date dependent on weather and to be announced after the lockdown ends.

Biggest Loser Challenge - Have you been thinking about losing weight and getting healthier, but could not find the motivation to do it? How about a little cash and some friends to help you? We all have New Year's Resolutions and let us work together to make 2021 the year of health! January 10 we will kick off our Biggest Loser Challenge! Each person to join will contribute 15,000 to a prize pot which will be divided between the winner and two runner ups.

**Sabbath November 28,
2020**

The speaker for the divine service will be Pr. Larry Lichtenwalter
